WHY IPÉ?

- Low maintenance all natural wood decking.
- Naturally stable with less movement.
- Proven strength and durability.
- Rich dark walnut color naturally weathers to a silver patina or preserve the color with a penetrating oil finish.
- Holds up under extreme traffic and heavy use.
- Performs well in any weather condition.
- Outlasts composite materials.
- Resist scratches and slivers.
- Increased slip resistance.
- Absorbs less heat.
- Chemical-free.
